## LIABILITY STATEMENT

I, the undersigned, hereby declare that the design for:

- ☐ SHELL SCHEME\* (for stands higher than 3.5 m or a two-story structure, a document of static calculations and structure strength signed by a person with construction qualifications in the construction industry is required),
- ☐ ELECTRICAL WIRING SYSTEM\*,
- ☐ WATER AND SEWAGE SYSTEM\*,
- ☐ SUSPENDED STRUCTURES \* (the structure was recalculated for strength and compliance with permissible loads and suspension plan).

meets the conditions described in the "Object data and technical conditions" available at [www.amberexpo.pl](http://www.amberexpo.pl), in particular it takes into account the permissible loads. This both the shell scheme and the systems listed above were made in compliance with both the applicable laws and technical know-how. All the materials used for the construction, equipping and furnishing of the stand have the relevant approvals and certificates, including for non-flammability.

We also undertake to follow the regulations applicable on the premises of MTG – AMBEREXPO Exhibition & Convention Centre, the Health and Safety at Work (BHP) and Fire Safety Regulations, available at [www.amberexpo.pl](http://www.amberexpo.pl), including the REGULATIONS FOR PARTICIPANTS OF FAIRS organized by The Gdańsk International Fair Co.
